**Subject:** TCC-DMS UPDATE 002 - Downloadable Forms of Common Manual Available Now!

Good day Captains,

This is '**TCC-DMS UPDATE 002**'. Please be advised that now all downloadable forms of common manuals mentioned below have been replicated to vessel's side by the data exchange scheduler.

This time of update has included:

Other than SMS forms, below has listed out the manuals which also contains forms but those originally cannot be downloaded as their original formats such as MS Word/ MS Excel. Now their original forms are now available in DMS:

They are:

- a. Environmental Management System manual: a list of form refers to attached 'EMS Form Retention Matrix'
- b. Manning Manual: a list of form refers to attached 'Manning Form Matrix'
- c. Procurement Manual: Appendices A-K
- d. Carbon Emissions Monitoring Manual: Form MRV01
- e. Outbreak Mgmt. Plan-COVID19: Annex H - Pre-Boarding Locator Form (PLF, issue03) Rev 01

Upon receipt of this email, kindly please **check and advise to our office if all forms can be previewed and downloaded and list out any missing items** if any, upon the revisions can be seen on your system.

Thank you!

**Remarks:** in the circumstance when time is available, suggested to log in the system one or two times per day (such as one time in the morning, and another time in the afternoon) for checking if revisions happening.

Thanks & Regards,

Mei

Dear Mei,

Good day.

I have checked from my side that all the documents/forms regarding 'TKT-TCC-13' have been sent to all the ships. We need to get access to KWEX and CSEN and check those issues.

Thanks & Regards

Bingshu Baidya
